Our 9 is a 6
And the 6 is the 9
A year of memory
A year so fine

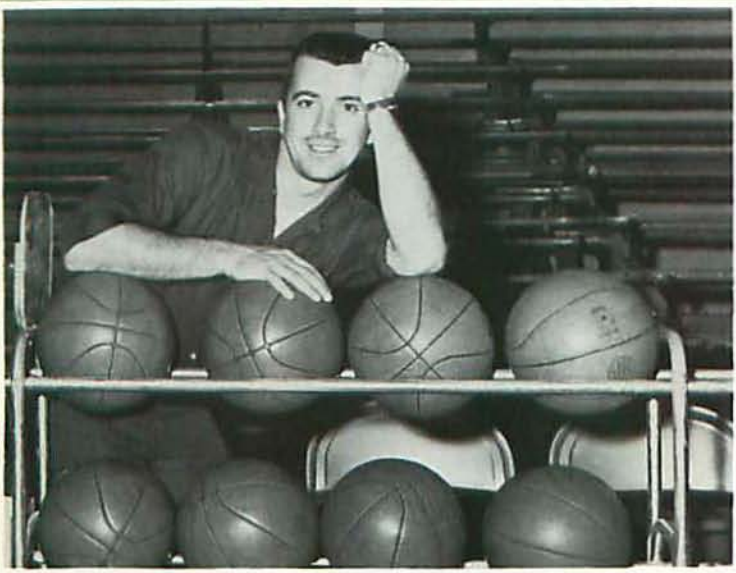

Some like fun and games;
Others — peace and war;
Whatever; 69 our year;
Against or for.

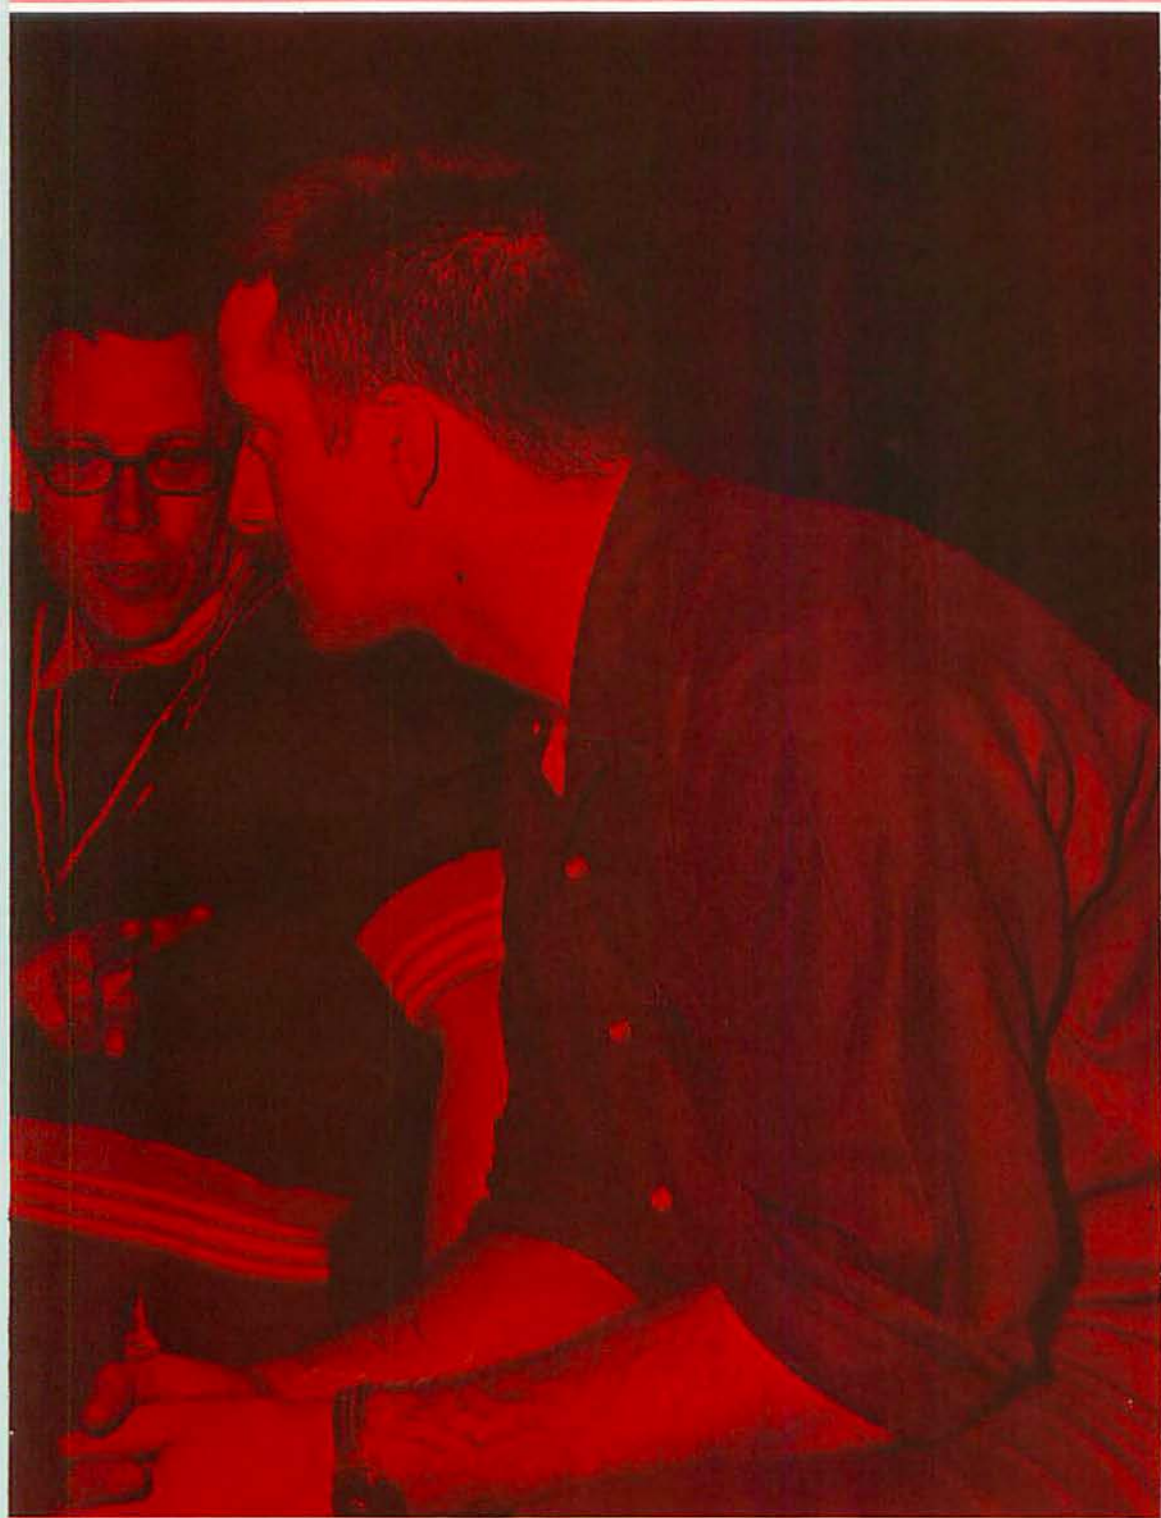

In college you work
and vacation, and
proudly serve the
nation. "Students"
let out a whoop!
For yours is the
group — our
active organizations.

Seemingly strength
comes slow,
While we learn
and grow.
And fortunes random
cards are dealt;
In life, —
as on the field

Nothing! oh nothing? Something!
yes, something.

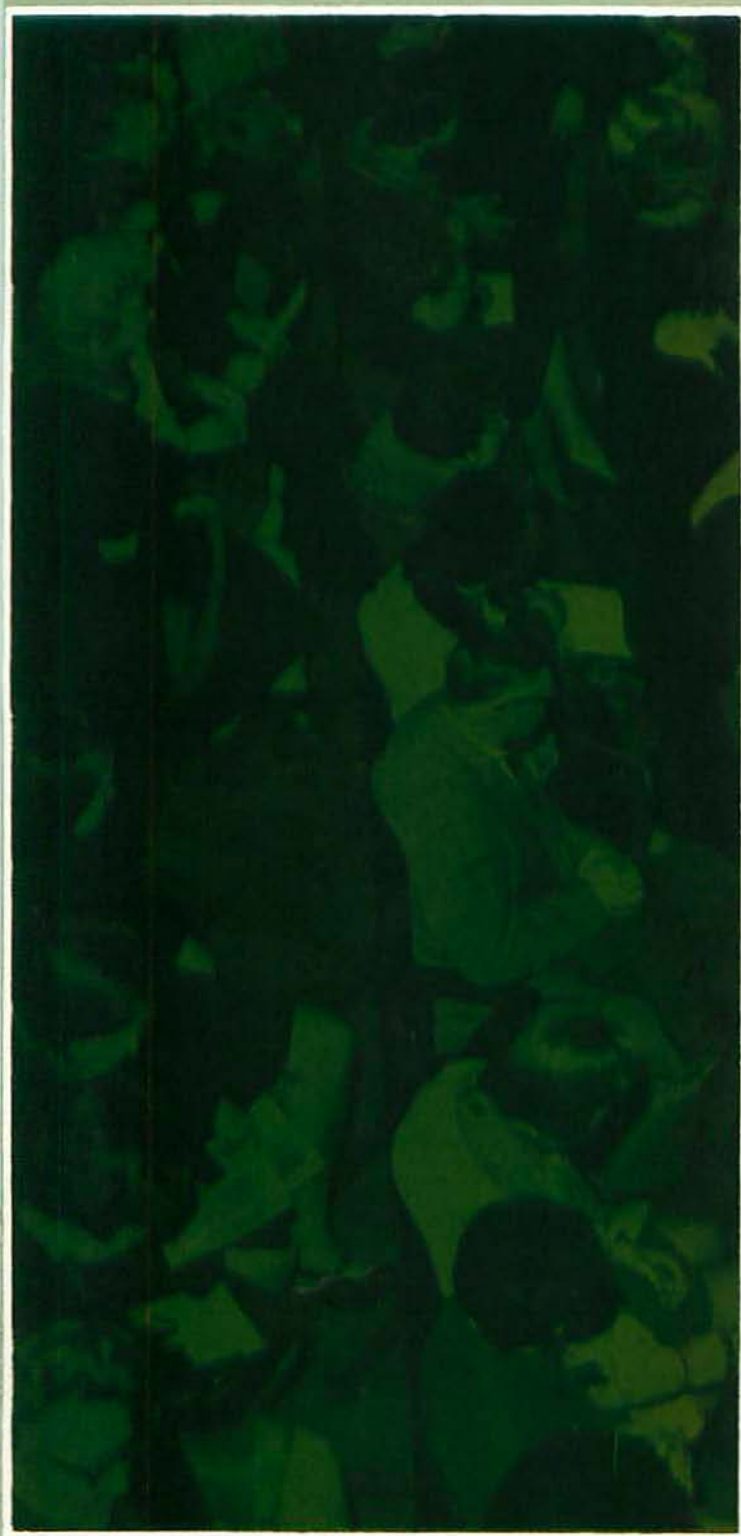

Violent weather, times and games;

Tender times! people, and games;

Instructors, books, and games.

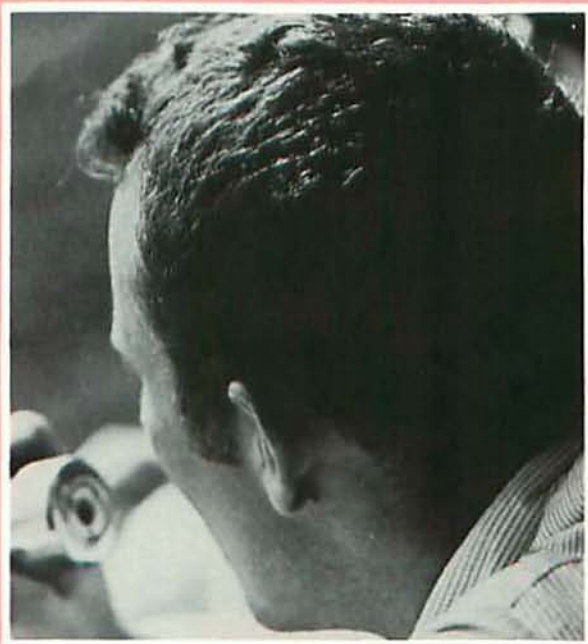

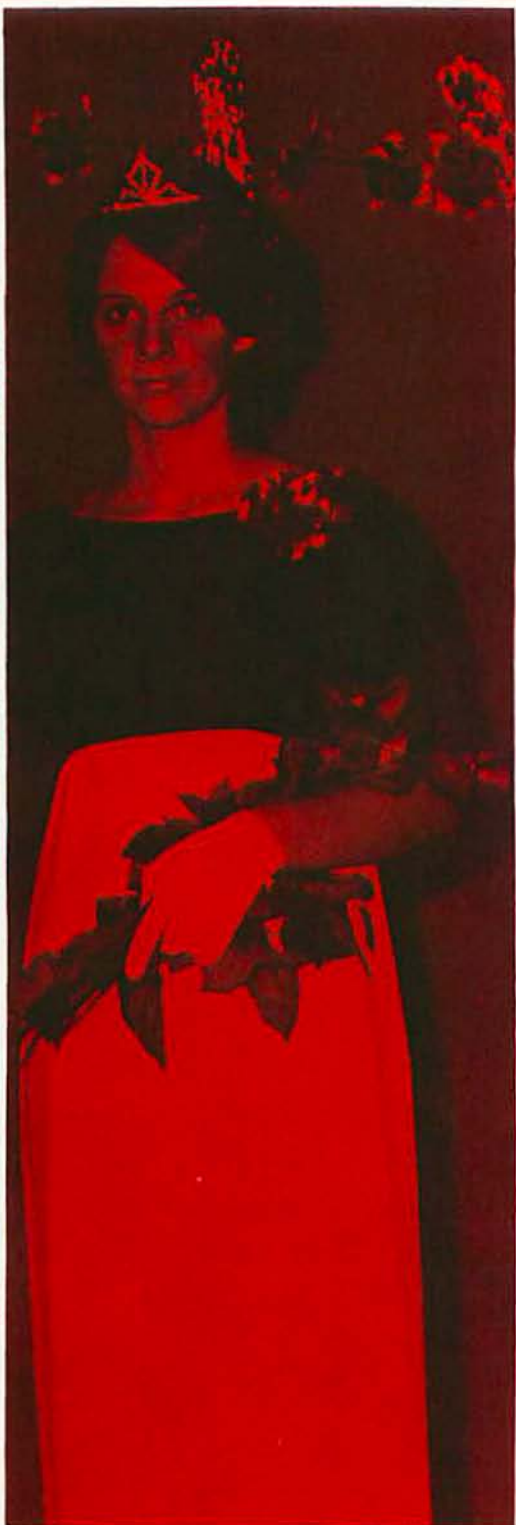

We did it baby! yes we did —

Graduation — different games.

**Ups and downs
Wrongs and right.
Very loose
And then uptight.**

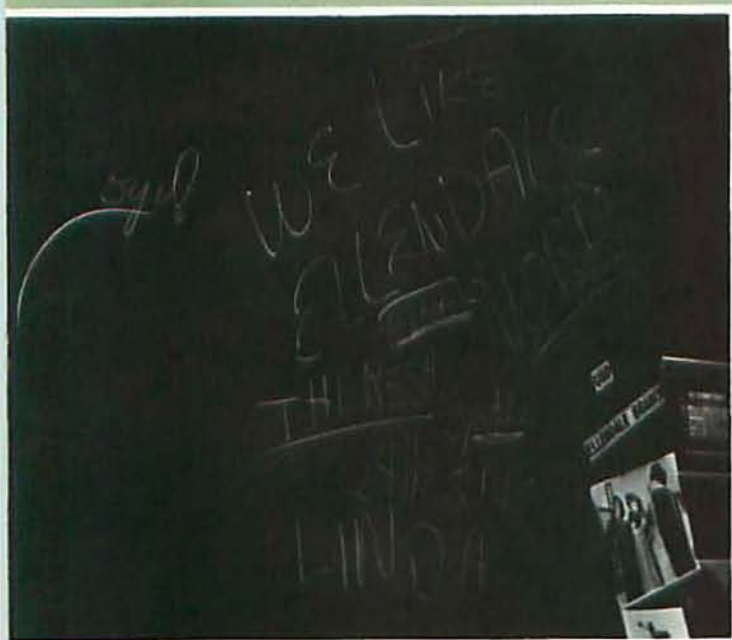

Ultimately,
therefore—
since it's
not in the
bag, it must
be in my
pocket—
my pipe that
is. I knew
I brought
it.

All through school,
You and I;
Friends and lovers.
Hello — Goodby.

Pie throwing, egg shampoos, life-saver races, and impromptu speeches were the usual court verdicts!!! Many a frown or disgusted look was seen.

Pauline Becker Crowned Miss Ellendale

Poso Seco Entertain At Homecoming

"Time, Oh, good, good time!!"
Guitars strummed-voices sang.
Clap, cheer, applause. Sing another.
Queen crowned, cheer-cry-applause.
Horns tooted, floats rolled on — Homecoming 1968.

Midsummer Nights Dream

The production was composed as a production of the Shakespeare class into the contemporary comic strip — Peanuts. It proved to be highly successful and hilarious.

The Mad Woman Of Chailiot

Due to the usual antics of N. D. winters, The Madwoman of Chailiot was only produced for one evening. Nevertheless, the crowd was warm and showed enthusiastic response.

Prom: Formal Event of Barb-be-orge Weekend

"Students may be excused for decorating." The field house filled!! "Fold kleenex — hang streamers — Where's the tape? — Ouch, my thumb — that's beautiful!! And it was beautiful and fun. The band was good — the punch was good — Satin, lace, suits, curls, and the band played on.

Students Compete In Senate Race

Many students ran for the Presidential seat. The heated campaign resulted in a close election with many ill thoughts about a representative senate.

1st Annual Barb-be-org vs. Zip To Zap

It was cold, damp, and gray!! The arguments were few and far. The hot dogs and hamburgers went fast. The refreshments went faster. The hills grew steeper and the day grew longer. The first annual Barb-be-org was a huge success!!

EB Boasts Superior Music Dept.

U.N.D.-E.B. Music Department greets students as well as visitors with all possible audible sounds flowing forth out of its windows on 3rd floor Carnegie. It's active organizations back up school spirit and promote public relations. Adding to hard work and fun, each student becomes an important part.

"Sing out brothers and sisters", a familiar sound from the music of the University Impromptus. It is the most often traveled group of the department because of its reputation and popularity.

BOTTOM ROW: Jim Redlin, Dixie Lee, Jerry Roerich, Cheryl Bardell, Morris Weber. TOP ROW: Mavis Mueller, Bonnie Heck, Larry Ketterling, Bruce Redding, Faye Bardell, Kathy Koenig.

EB Music Groups Varied And Talented

Music is provided by the University Band to aid the school spirit in sports activities. With no help from spring weather, the band began a hopeful annual event of outdoor concerts. The Madrigal singers added the classical touch missing in much of music today. An active group of music students making up the Music Club sponsored high school talent shows and the Winter Festival.

Stage And Dixieland Bands Make Spring Swing

Playing for many area spring formals, the Stage Band and Dixieland bands took turns wearing out lips for a month of Friday and Saturday nights. Hours became late and lugging instruments tedious. But every trip became well worth the time and experience.

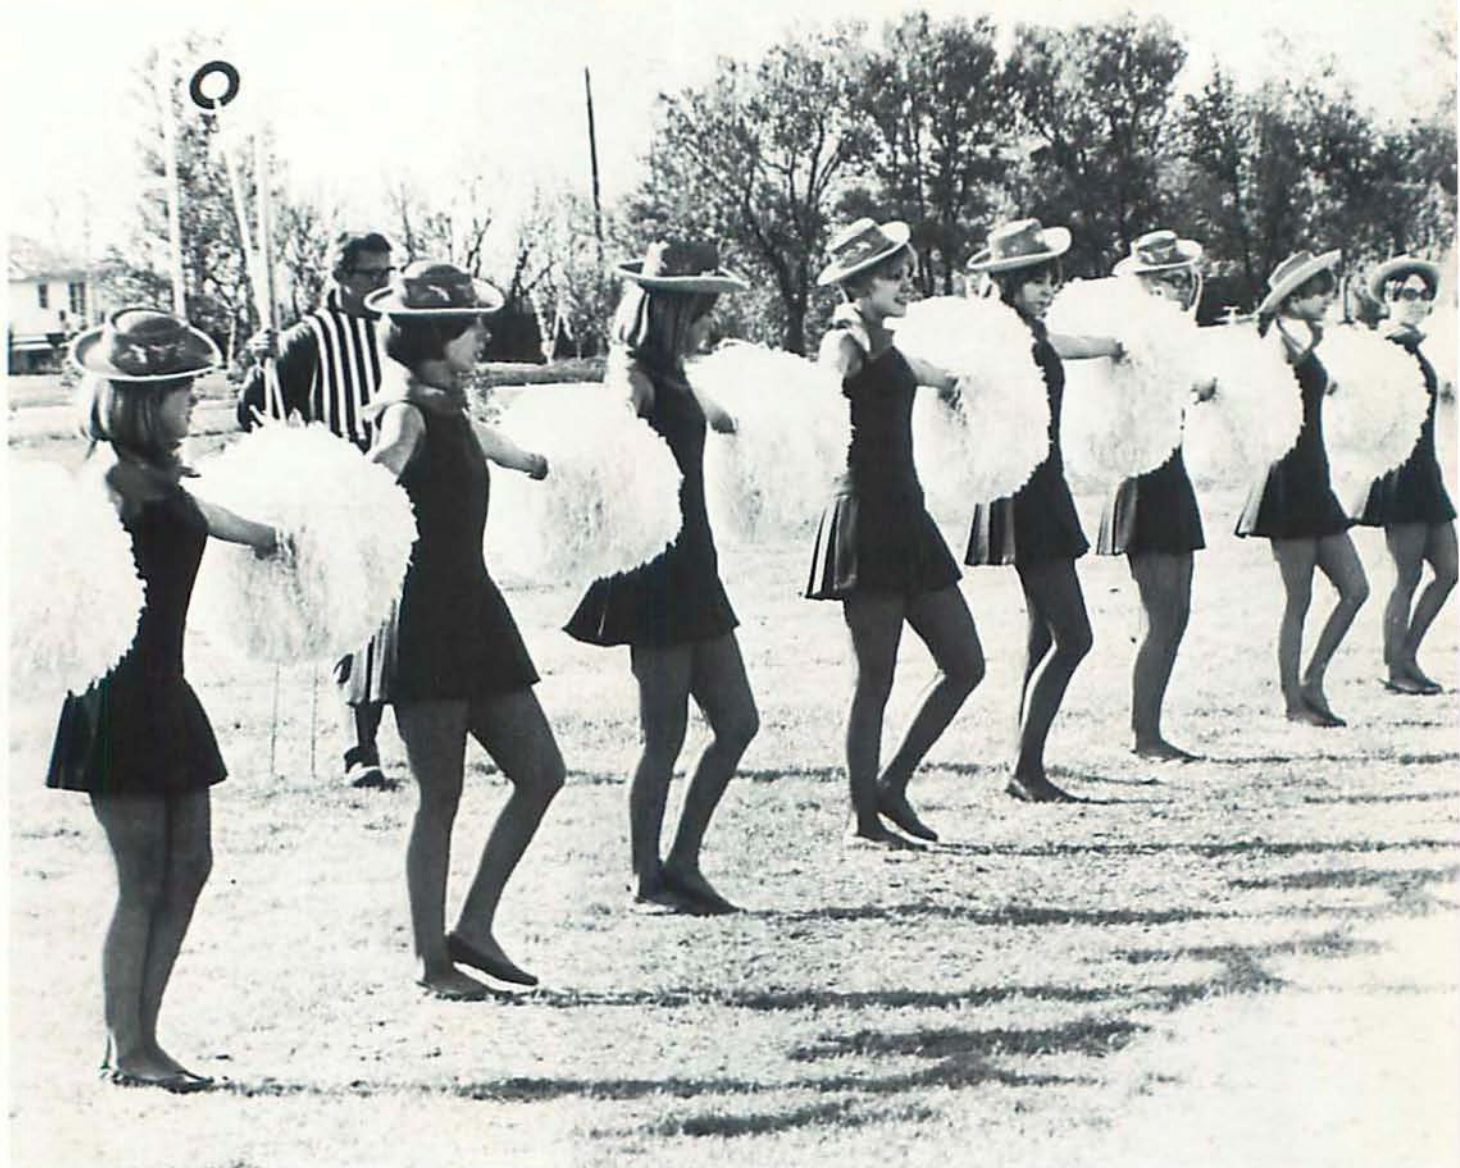

Sloppy Joes + Long Days = Annual Tour

Despite the contagious Hong Kong flu, the Christmas Contata "The Message" continued. First semesters work was over! Second semester ended with a tour. Up at 6:30 and home at 5:00. The days were long and dreary — but the music (generally speaking) was great. The kids loved it. When in doubt — Sing!!!!

Cheerleaders Work Hard To Create Enthusiasm

This years Dustie cheerleaders worked hard to "fire up" the team and fans at both home games and away games.

Peggy Schock, Mavis Mueller, Sheila Reede, Diane Larson, Kathy Hassler.

Lettermen Sell Corn And Hold Court

"Hot popcorn! Peanuts, pop." If the lettermen were not on the field or court, they were in the stands and on the sidelines with concessions. But in the fall, it was time to hold Kangaroo Court for new Freshmen — and crown the beanie king and queen!!!

Senate: The Voice Of The Students

Senate '69 has been said to have accomplished more in this year than ever before. The initiated the Bar-b-orge weekend, supplied big name entertainment for homecoming, and held dances when students were bugged for something-to-do!!

Married Wives

Dustie Times Always On Time

"We missed it again" was a favorite Dustie Times phrase. Despite all worries and late stories, the result paper was a good one. Many times comments hit home and hurt feelings, but comments were taken in good humor and forgotten.

Shifting Of Staff Adds To Problems

Due to a change of staff as well as a genuine lack of bodies, the '69 Dustie memories staff experienced ... missed deadlines ... Frequent visits from Mark and Jerry ... last minute headlines from Cheryl ... body copy by Faye? ... odds and even by Gerry ... typographical errors by Dixie ... mass picture production ... and a final assembly late late in June ...

Old Vets Never Die — Just Go To UND-EB

During school term the Vets sponsored various activities such as dances and raffles — to earn money for various obvious reasons.

P.E. Woman Organize For Fun And Competition

Weekly sports participation for P.E. majors and minors proved more effective than a health spa and much less expensive. BOTTOM LEFT, S.E.A. members learn to pose as well as teaching for tomorrow.

Fraternal Groups Solid Dustie Supporters

With keg in hand and earnest support for the Dusties in heart, the Greeks made their presence known at all sporting events. Even with much rivalry between organizations some still managed to sponsor dances and keggers.

Dusties Bow Out 0-8

UND-EB Dusties participated in their last season as a school competing in football. This season was not a winning season but surely a season of excitement and surprises. The Dusties began the season a young inexperienced team and developed it's potentialities towards the end of the season. The season produced joys, heroes, and sorrows as football seasons have always done here at UND-EB.

WAHP + Jimmie Wins Highlight Season

The Dusties ended the '68-'69 season with a 4 win-7 loss conference record and played overall about "500" ball. The greatest win was over Wahpeton Science. This loss for the Wildcats was one of the three losses they had all season. Also the Dusties had two wins against arch-rival Jamestown. Every game proved to be exciting and enjoyable for both fans and players.

E.B.'s Last Class Of Student Teachers

During the spring and fall semesters of 1968-69, the last class of student teachers invaded the surrounding high schools. Not only the largest group of teachers ever to graduate from E.B., But one of sadness because of the Junior College.

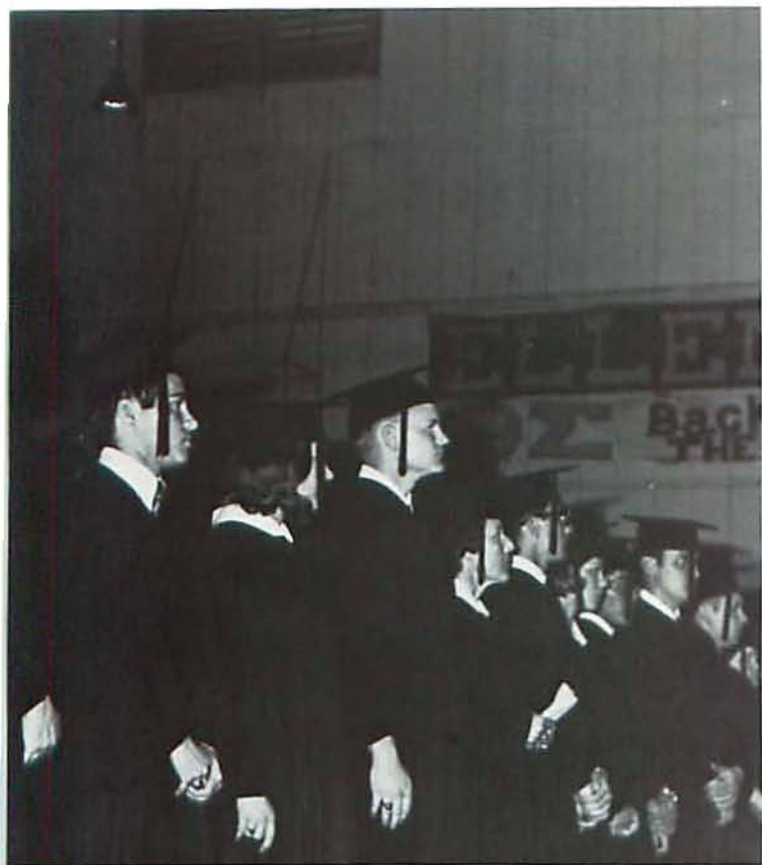

ABOVE: James Klipfel introducing I.A. to students. LEFT: Denis Quaschnick alone on the job. BELOW: Maxine Zimmerman teaching typing.

Last Four Year Degrees Granted

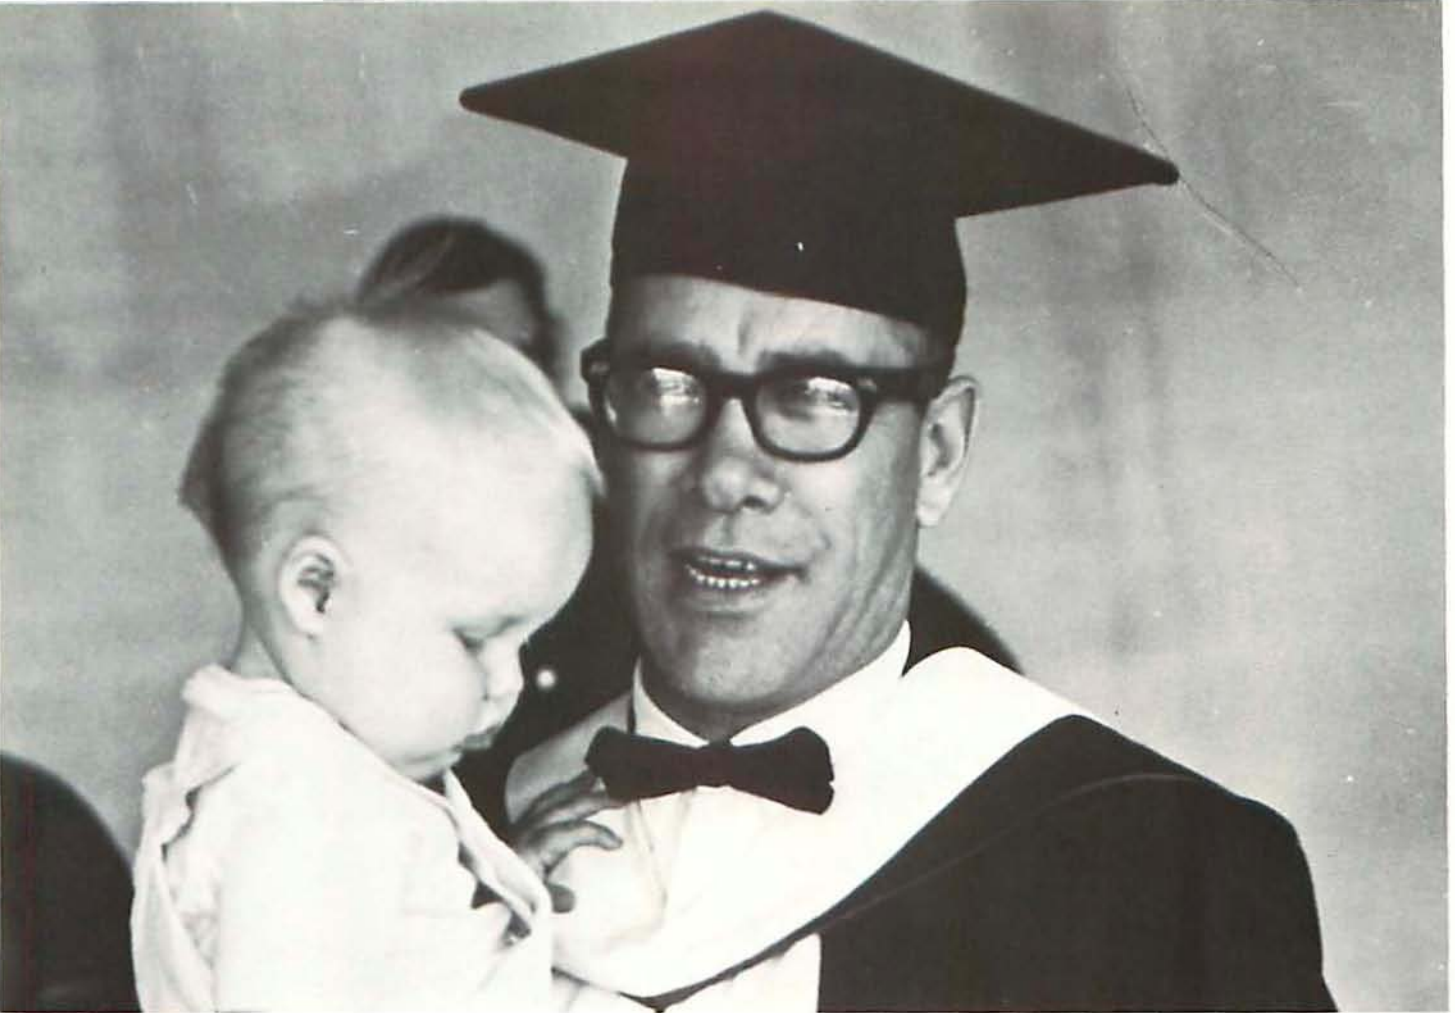

One hundred and ninety candidates received degrees at the '69 commencement. This was the largest class and the last. Bachelor of Science degrees in Education, B.S. (non-teaching) degrees, and associate in Arts degrees were granted. The day was hot and the field house was packed — but minds were on the small piece of paper being received.

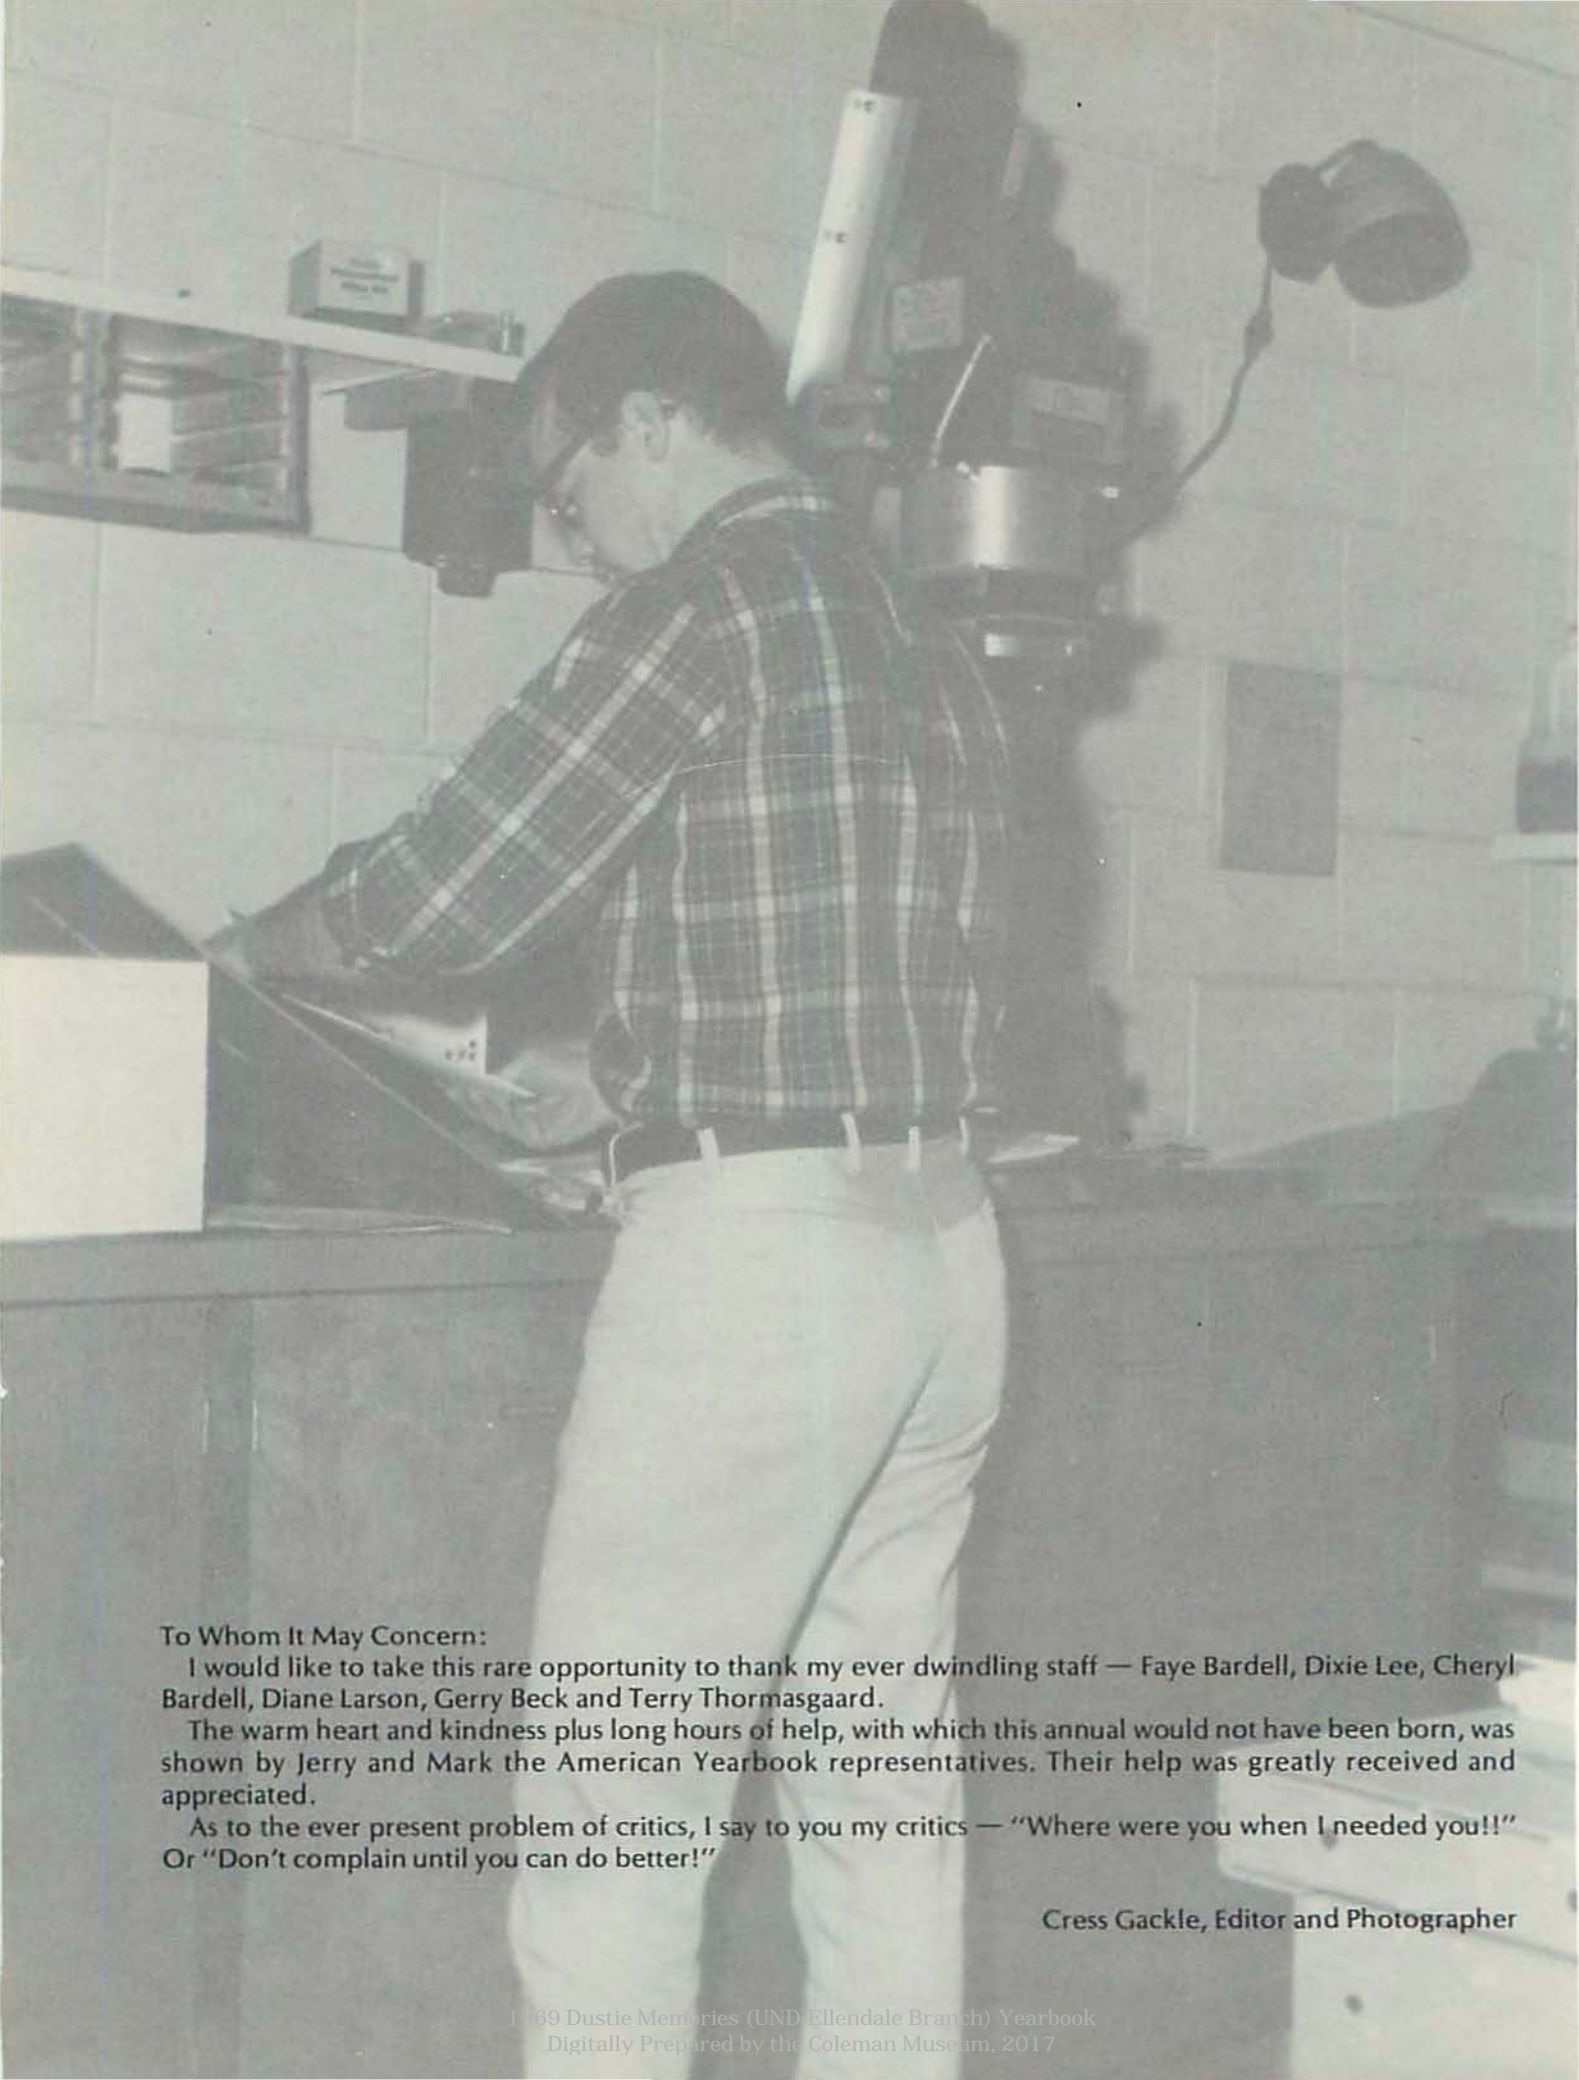

OPPOSITE PAGE —
A DREAM —
COME TRUE!!

To Whom It May Concern:

I would like to take this rare opportunity to thank my ever dwindling staff — Faye Bardell, Dixie Lee, Cheryl Bardell, Diane Larson, Gerry Beck and Terry Thormasgaard.

The warm heart and kindness plus long hours of help, with which this annual would not have been born, was shown by Jerry and Mark the American Yearbook representatives. Their help was greatly received and appreciated.

As to the ever present problem of critics, I say to you my critics — “Where were you when I needed you!!” Or “Don’t complain until you can do better!”
